**For applicants from San Antonio, Carpe Diem, Sonoma Mountain, and Valley Oaks High Schools:** Minimum Accumulated Grade Point Average: 2.00 or above

**Area of Interest:** Petaluma Valley Rotary offers scholarships to deserving students who have achieved both academically and ***in service to others***. We award scholarships to the college bound or Trade School student as well as students who might have a strong interest in vocational studies and students who may have a strong interest in international studies or service. Students planning on going to a community college or trade or vocational school are encouraged to apply.

**Leadership:** Demonstrates leadership qualities, but not necessarily as "the leader" of a group or activity. One important characteristic we look for is active leadership and involvement, whether working behind the scenes or quietly facilitating a project to ensure success. A student who acts as a catalyst to get a project started, or keeps a project "on track", encourages others, or is the "go to person", but is not necessarily the one in charge is very worthy of inclusion in this scholarship.

**Community Involvement:** Active in a leadership role or as an active, contributing participant in school sponsored, or community activities that benefit the community or portions of the community. ***Highest consideration is given to those students who demonstrate service to their families, school, and/or community.***

**Overcoming Obstacles:** We are interested in that student who has overcome unusual obstacles during his/her high school years and has demonstrated the determination to complete high school with improving grades. Overcoming major illness, unusual family situations, or dealing with hardship are worthy of inclusion.

**Essay:** Please complete a one-page essay in space provided. The essay is titled: "**How I have made a difference in my community.**" You may, in the essay, include any special circumstances and/or financial needs that you would like the scholarship committee to take into consideration. The important point to remember is that we are interested in why you feel qualified for our particular scholarship.

**Future Career Goals:** The applicants need not be committed to a two or four year college. Any reasonable future career path that includes further education or service to others will be considered.

**Letters of Recommendation:** Attach one meaningful letter of recommendation. This letter may be from teachers, employers, family, friends, or responsible adults in organizations applicant is involved.

The final selection of the recipients of these scholarships will be the responsibility of the Petaluma Valley Rotary Club Scholarship Committee and Board of Trustees.
